SIR,

MINOR WORKS--1946-47--Office of the Deputy Inspecto of Schools,Karkal Range--S.Kanara District--Construction of compound walls on west and east sides--Approval requested.

In submitting herewith a ~~sp~~ plan and estimate for Rs. 480/- for the construction of compound walls on the east and west sides of the Office of the Deputy Inspector of Schools,Karkal, I have the honour to request that Government may be pleased to accord their approval to the work - vide G.O.Ms.1732-P.W. dated 15.8.1940. The District Educational Officer reports that the Deputy Inspector's Office adjoins the bus-stand, and that there is often tresspass an committing of nuisance by the travelling public,with the result, that the office surroundings are always insanitary and the stinking smell is ever present. Provision has been made in the current year's Minor Works Budget for the execution of this work.

2. Early orders are requested as the financial year is coming to a close.

Enclosures: Roc. No. 1098 G/47, dated 12th July 1947

Sir,

SUB:- Buildings - Office of the Deputy Inspector of Schools, Karkal Range - Construction of a compound wall - Reconsideration of orders -Requested.

Ref:- Government Memo.No.21755 A1/47-1dn.. dated 11-4-47.

The Divisional Inspector of Schools, Coimbatore, reports that it is not possible to grow any live fence as suggested in the Memo. quoted above, over the existing stone foundations and that the work is really a renewal and repair of the wall that slowly fell down bit by bit every year, it being a mud wall. In the circumstances stated above I request that Government may be pleased to reconsider their previous orders and accord their approval to the work.

2. As no provision exists in the current year's Minor work budget, this work if approved by Government will be carried out during 1948-49.

I have the honour to be,
Sir,
Your most obedient servant,

for Director of Public Instruction

Please see the letter from the D.P.I at p 1-2 cf.
The D.P.I has submitted a plan and estimate for Rs 480/- for the construction of compound walls on the east and west sides of the office of the Deputy Inspector of Schools Karkal Range, South Kanara Dist. The D.P.I reports that the Dy Inspector's office adjoins the bus stand, as such and that there is often trespass and committal of nuisance by the travelling public, with the result that the office surroundings are always unsanitary and the stinking smell is ever present. It is also stated that provision has been made in the current year's Minor Work Budget for the execution of this work

According to the orders issued in G.O. Ms. 1025 PWD dt 24-4-39 and G.O. Ms. 1732 PWD dated 15-8-40 improvements to compound walls can be undertaken only if they are absolutely essential. The reasons for constructing the compound wall on the east and west sides of the office of the Deputy Inspector of Schools, Karkal range, South Kanara Dist as reported by the D.P.I does not seem to be a sufficient justification for considering the work as absolutely essential. This deptt may advise that the proposal be postponed for the present till the cost of materials and labour falls appreciably. The file may be returned to E.P.H through Finance.

involved in the proposed construction of the Compound wall, this Deptt need not object to the proposal.

SRS A 13.3.47 (N) As stated at A on page 1 of 7234/47 the need for economy is not the less in the case of works involving small expre. The construction of a compound wall in the present case is neither urgent nor essential. To prevent trespass by the public a live prickly pear fence may be put up at a cheap cost. In the circumstances, this Deptt may adhere against the proposal.

The proposal is to construct compound walls on two sides of the office of the Deputy Inspectress of Schools, Karnal range. The expenditure is only Rs 480/- The D.P.S has clearly explained the necessity for the proposal. Edn and P.H and P.W.D support the proposal. Finance however consider that a live prickly pear fence may be put up at a cheap cost instead. Common experience is that the prickly pear fence will gradually disappear and the amount spent on that will be a waste. For orders whether this deptt may press the proposal.

Hd P.H. concurred in the proposal as regards

It is common knowledge that a live fence cannot be grown on existing stone foundations. The Divisional Engr does not seem to be trained to carry out the orders of the Govt in the memo on p: 3 C.F. If he was, he could have easily arranged to grow a live fence next to the existing stone foundations at a small cost.

as the work is proposed to be carried out only next year, the proposal is not urgent and may be deferred – cf. A on p. 1 above. In the Os this Deptt may advise against the proposal. P. & F
